Subject Additional allotment for public works in Chickballapur Municipality

Sir,

I have the honour to forward herewith the report received from the President, Chickballapur Town Municipal Council with No M C 38/46-47 dated 20th October 1946 and to state that the Municipal Council had made provision of Rs 6500/- for public works during the current year in their Budget estimates and a sum of Rs 4000/- was only sanctioned under this item The President has now reported that the sanctioned allotment for Public works is insufficient and the Council discussed the question of obtaining additional grants and they have resolved at their meeting held on 14/10/46 that Government may be moved to sanction an allotment of Rs 8000/- to complete the works of urgent nature in respect of which estimates have been got up It may be seen from the list of works executed in the town and the works pending execution (enclosed in the records) that a total sum of Rs 10,430-9-0 is required as against a grant of Rs 4000/- provided in the sanctioned Budget estimates A sum of Rs 6430-9-0 is required to complete all the works in respect of which estimates have been got up

In this connection, I may add that there was a savings of Rs 5527/- for the last two years out of the budget provision made for the public works as works could not be taken up for various reasons The Municipal Council are anxious to see that improvement works are taken up and completed during the current year In the circumstances, I request you kindly to obtain sanction of Government, for the additional allotment of Rs 6000/- for public works, the cost being met out of the closing balance of the Municipality The closing balance of the Municipal Council on 30/9/46 was Rs 10,321/- and the allotment asked for by the Council ie Rs 8000/- has been limited to Rs 6000/- as only Rs 6430-9-0 is required to complete the works in respect of which estimates have been prepared

I have the honour to be,
Sir,
Your most obedient servant,

Deputy Commissioner,
Kolar District
